

You are required to know your license plate when paying to park at our meter.

HOW TO USE OUR PARKING METERS

Pay-by-License Plate

Paying with Coin or Credit Card

- 1** The terminal will automatically activate when a user comes into close proximity.
Note: This is for meters with a solar panel.

- 2** **Enter your vehicle license plate number using the keyboard.** Press the **green button** to confirm your license plate entry.

- 3** **Purchase time by inserting coins, or select type of card payment** (insert credit card or contactless payment).

To pay with coins, insert your coins into the coin slot. Insert coins until your desired time is displayed on the touchscreen.

To pay with credit card, insert your credit card in the credit card slot. Alternatively, you can tap your credit card, debit card, Apple Pay, Google Pay, or Cyle wallet on the contactless reader.

- 4** Press the **green button** to confirm your transaction.

- 5** Take your receipt. It will be dispensed from the paper dispenser.

- 6** There is no need to display your receipt on your vehicle dashboard. You will not be invoiced. Your vehicle license plate is recognized by a cloud-based parking enforcement system.

Proceed to your destination.
