

You are required to know your license plate when paying to park at our meter.

# HOW TO USE OUR PARKING METERS

## Pay-by-License Plate

### Paying with Coin or Credit Card

- 1 Press the green **"START"** button located on the touch screen to begin.

- 2 **Enter your vehicle license plate number.** Using the keyboard, press the green **"OK"** button to confirm.

- 3 **Purchase time by inserting coins, or select type of card payment** (insert credit card or contactless payment).

To pay with coins, insert your coins into the coin slot. Insert coins until your desired time is displayed on the screen.

To pay with credit card, insert your credit card in the credit card slot. Alternatively, you can tap your credit card, debit card, Apple Pay, Google Pay, Samsung Pay or Cale wallet on the contactless reader.
- 4 Press the green **"OK"** button to confirm your parking session length and to process your payment.

- 5 Your ticket will print and be dispensed from the paper dispenser. Take your receipt.
- 6 There is no need to display your receipt on your vehicle dashboard. You will not be invoiced. Your vehicle license plate is recognized by a cloud-based parking enforcement system.

Proceed to your destination.
